“ I will always remember my Uncle as fun, loving and always happy. As a kid he was always caring , as an adult we had great talks - he always was interested in what I was doing and would always tell me how proud he was of me. He would always go into what his kids were doing - he was so proud of his kids - he would talk about the grand kids and you can just tell how much love was there.

*RIP uncle Gerald

“ God I thank you for choosing my brother Gerald to be in my life he always spoke what he thought and if we didn't like too bad. you never complained about your health, but did you complain about everything else (Ha-ha). I always think about when my husband passed away you stayed by my side. You held on to me and called at least once a week to check up and you always said you "didn't want me to be alone" so you were always trying to set me up, which made me laugh. I never will forget you I thank you for showing Loti how to do repairs on homes and introducing him to all your friends and then you would say "they like him more than me" LOL. You were a special brother and I am so happy that you loved God because in the end that is all we need is his approval I love and miss you

His love was a tuff love with a gentle touch I always knew he loved all of us he always had my back he was a beautiful soul he loved all his family he was so proud of all his children and grandchildren I was grateful he found Jesus. “ Mark and I have been reminiscing (a lot- just like everyone else) and the one thing that we both said was the feeling we felt inside when ever we pulled up somewhere and seeing your bike....that brown seat...we both looked forward to seeing you and talking to you.... in fact, one time we were actually leaving "a place" and you pulled up .. so we went back in ...lol...just to hang out with you... I (we) will cherish the time we had with you ...on our rides....to Sturgis, Red River and I'll most definitely never ever forget Durango! I think that was THEEEEE longest ride EVERRRRR lol! - what ever ride it was we took when we went through CHAMA..... beautiful ...but sooo looong lol. Uncle, you will be greatly missed <3

“ Brother, it has been hard to say the least, I always thought of you as tough and invincible and never dreamed this day would ever happen to you so soon. I know we always did not see eye to eye. I would do anything for you, and vice versa. I love you and I'm so glad we were able to go on our Sturgis trips together, and all of our family dinners. These Memories will last my lifetime. Ride free my Brother, you will be missed and thank you for being a great Nino to Lanae.
