“ Gertrude was a foster grandma parent for me when I was a preschool teacher at Irving. We all called her "Grandma Gertrude." She was so sweet and kind. She was at school everyday to help in any way that she could. I moved away for around a year and when I came back to town I went to her house and she was so proud to show me pictures of her family. That was around 10 years ago and I have often thought about her. Condolences to her family. ❤️
