“ I known and loved Mr Gifford for nearly 60 years. Mr Gifford (Gil) was a father figure to me after my dad passed away 30 years ago.

I remember turning around and seeing Mr Gifford an Ed standing right behind me at my dad's funeral.

A few years later when my mother passed away I remember turning around and seeing Mr Gifford and Ed standing behind me once again.

When my wife passed away in August of 2022, once again Mr Gifford and Ed were there for me.

I spent many Sunday morning breakfasts with the Gifford family. I also spent Thanksgivings with the Giffords. They sat me and Ed at the head of the table next to Mr Gifford.

Mr Gifford and the entire family has always treated me like royalty and I will forever miss the King and the original GOAT - the Greatest Of All Time .

With love ... Bobby
