Hers was definitely the most gorgeous yard on the block. She also enjoyed her time in the kitchen making wonderful baked goods for all her family, friends, and neighbors. All of us always anxiously awaited those homemade treats. Although she deeply enjoyed these past times, her true joy came at the age of

54 when she became an Oma ~ there was truly no greater love for her. Her husband, family, and grandchildren were the most important part of her life and she doted on all of them, and had a very special bond with each of her precious grandchildren. She will be deeply missed by all that were lucky enough to know her. Cremation has taken place, and a private internment will take place at a later date.

“ *Heaven has truly gained an Angel in our beautiful Aunt Gisela! May her magnificent wings stretch out and watch over her treasured family here on Earth. I will miss her smile and endless stories... but mostly her wave as we drove by her house daily on our way home. Rest in Peace Auntie Gisela.*
