“ *What a terrible shame that Gloria was taken away too soon. Condolences to Mike and the rest of the family. I worked with her at Parkview for 12 years and knew her as an extremely dedicated and caring nurse. She was also my friend. When I was struggling to learn how to make decent green chile, it was Gloria who came to my rescue by sharing her family recipe. Mine was good after that, but never as good as Gloria's. She shared with her co-workers her other cooking on many occasions. She loved the carrot cake I made for her birthday, and in return she showed up one day at our house with a big pan of her wonderful enchiladas. She was loving to her family, and she was always in charge. Of all the nurses I worked with over the years, she is among those that I remember most. She will be missed.*

I will always remember the good ole times at the farm. Gloria would always come visit as well as our other cousins. Gloria was always a happy person, so kind hearted, always had a smile on her face. Even though we lost touch as we were growing up, I always thought of her. Our condolences to her husband Mike, their children and her family. RIP. From Dolores & Ruben Gomez
