Cindy you were such a precious friend! So many fun memories: I have home movies of our group of friend's snow boating, many get together at each other's home. We just celebrated your birthday in August. You were always such a joy and loving Momma to Tina and your grandchildren. Loved those memories and heartbroken with our loss. I know you earned your wings and reunited with loved ones and our Dear Heavenly Father! You will be missed dear friend. Until we meet again. Love Gerri
