“ I met Gloria when she lived at the Covington apts. she was always so nice and would sit and talk with me, she was always so proud of her grandkids and had so many stories to share. She was such a kind and generous soul. I will miss her.

“ My family and I first met Gloria when she worked at the Loaf and Jug store. She was such a ray of sunshine, always smiling, chatting with customers and working so hard and taking such pride in "her store". Gloria was so proud of her family and her grandkids! We would share stories of our kids (and grandkids) achievements and pictures. There was only one Gloria and my thoughts and prayers are with all of you during this great loss. I know Gloria is up there in heaven smiling down and cheering on all of her beloved family members. Shana, Britt, Matt and Dayton

“ She was a great sister, a lot of traveling, to different places. The girls had a great time doing Easter egg hunts over at Bonnie and Frank's. She loved to read books, she probably had over 100 books to read. She enjoyed researching family history, she would get mad if she made a mistake doing it. The reading of tarot cards, she enjoyed. Prayers to Jamie and all, it's never easy, but your strong, and you can do this. We are here for you, just a phone call away, playing phone tag.
