VIRGINIA JONES - August 13, 2022 at 12:55 AM

Brother, its been almost 2 years since your vessel was laid to rest and your soul was set free from the horror you suffered from. God how much I miss you and wish you were still here, by my side to give me some of your special knowledge and wisdom. I have been through a lot of hard times in my life and none of them held me down but losing you bro had a really big affect on me and a part of me died with you... I try so hard everyday to go on without you and nothing compares to what it takes to survive without you. I Love You And Miss you so very much Bro.
