“ Sister Helen will always hold a special place in my heart. She was one of the sweetest people I knew. I was 8 years old when she diligently prayed and interceded for me to receive the Holy Ghost. What a wonderful gift. My life was changed that night and I am forever grateful for her not giving up on me.

I know she is rejoicing in Heaven. “Dance around the throne one time for me Sister Helen”.

I pray for peace and comfort for Brother Roger and the entire family at this difficult time, my deepest sympathies to all of you.

“ I spent countless hours at the Trujillo's house growing up, and Sister Helen is like a 2nd mom to me. She loved the Lord from the bottom of her heart. The laughter and memories we share will forever be a part of me. We shared so many meals together, and she taught me how to make homemade tortillas. Much love to Brother Roger, Victoria, Ruby, Greg and Jason.
