“ I worked with Ian and his mother. Ian was a hard worker, sweet gentleman, and peaceful in own way. It's saddened me to hear of his passing. I know how his mother (Bernadette) is feeling right now, that is why I can't be there in person. The loss of your child is the worst heartbreak a parent can endure. There are no words to make you feel better, I'm sorry. Know your not alone. Love to you(Bernadette) and your family. Ian will be remembered always. Angel Rest in Peace. Carla Plascencia

“ i coached Ian along with my 2 sons, marcie and r.j.....together they made good basketball and football players. Ian was more of a power forward in basketball as he liked to run through players. I don't ever say good bye to the passing of Ian as i know I will see him again someday??.I have the better el camino though???.I think!!!!!!

“ *I have had to loose my close family too never easy. He was a good man. I will always remember him in a positive light. We all have to be happy for him. He gets to have the answers to all our questions and gets to be with GOD. We lost a friend but gained a guardian.!*
