“ Inez was a very special friend. One time she had us all over to her home and showed video's of her performance when she lived in Las Vegas. As beautiful as she looked she was so different than the life that I know and loved her. Her hair was in a french twist, and her singing was beautiful, and acting was amazing. So different than the Inez that I know and loved! She will always hold a special place in my heart, as she had a amazing spirit, and a kind and loving heart. RIP Inez, you may be gone but your spirit will always be with me..

Sending with Lots of Love and Light!

“ Inez was such an inspiration to so many. I loved her sense of humor and spunk. She was one of the most thoughtful individuals I've had the privilege to know--I've received many wonderful cards from her over the years. She will be missed.
