“ I met Jacob when I became Executive Director of Pueblo Treatment Services, Inc. He did not take long to introduce himself and from there on he made everyday a humorous experience. He worked with me many years and then left to probation dept. in Pueblo. He was an honest, hardworking, committed, and loyal employee for many years including after he left he would still stop by to say hello. he will be missed.

“ Boogie was a great father-in law. I was very fortunate to be part of his family for many years. He was always there with a joke, a hug and good conversation. You could see how much his family meant to him in all he did. He would make a 2 hour trip to Aurora just to have donuts with his grandson at school or to watch a football game, soccer game or just for lunch. He will be truly missed. Rest in peace Boogie/Papo. Love you

Jake was so much fun. Always giving a smile, always wearing one. He sang happy birthday to one of classmates at our 40 year reunion Louie Armstrong style. When taking class group pictures he would often have his picture taken in a side view. His contribution to our class raffle to benefit local HS gift from class was a Kennedy half dollar with 1972 as year minted. Jake will definitely be missed. R.I.P my friend. Pino family I am incredibly sorry for the loss of Jake.

My dearest Boogie, you were like a brother to me. You were my brother Clovis' best friend. You would never miss a Christmas Eve at our family home in Walsenburg when my parents were still alive, whom you called Mom and Dad and they loved you like one of their own. You were always so kind with a big heart and smile, full of joy. We were happy to have you as part of our family! You will be truly missed by so many who love you!! R.I.P.
