

## Jaime Urrea

March 28, 1974 - July 18, 2019

Jaime Urrea, 45, of Pueblo, Colorado, went to be with the Lord Jesus Christ on July 18th, 2019. Jaime was born to Jose and Norma Urrea on March 28th, 1974, in Santa Paula, California and was raised in Fillmore, California. After graduating from Fillmore High School in 1992, he eagerly enlisted in the U. S. Army where he was sent to Kentucky for basic training. He was stationed in Germany for a short time where he enjoyed the mountains and greenery so much that he chose Ft. Carson in Colorado Springs, Colorado as his next destination. After completing his first term of service, he chose not to reenlist in the Army and was Honorably discharged in 1996 with the Army Good Conduct Medal, National Defense Service Medal, the Overseas Service Ribbon and other honors. While in Colorado Springs, he met and made a lot of friends including former wife Dianna Lucero Urrea, and then he moved to Pueblo, Colorado in 1997. Jaime's love was to always Protect and Serve. After graduating from the Police Academy in Pueblo, he attended school to become a police officer while working as a security guard at Trane, Inc. After several years there, he continued wanting to pursue a career as an officer, and since being a police officer wasn't an option, Jaime embarked on a career as a Correctional Officer. Upon successfully completing his testing and training, he began his Correctional Career at Arkansas Valley Correctional where he worked several years until the daily commute was becoming tiresome. When the opportunity arrived, he transferred to Pueblo where he worked at San Carlos, La Vista and then the Youth Offender System. His

motto in life was to Always Protect and Serve!! And he was always a fighter. Jaime is survived by his parents Jose and Norma Urrea, older brother's Joey (Araceli) Urrea, and Jorge Urrea, nephew Andre(Rachelle), niece Alyss and great niece Mila. Also survived by former wife Dianna Urrea and 4 legged children Kita and Shyla, in laws Gilbert and Rose Lucero, many Aunts, Uncles, cousins, and many many friends. Jaime loved his music and especially "Kiss" and enjoyed playing his drums. Jaime was always the first to lend a helping hand and was always gentle and kind. Jaime had a heart of Gold and loved his family and friends. He will be tremendously missed as he kept long lasting friendships wherever he went. A Celebration of his Life with Military honors, will be on July 29th at 10:00 a.m. at Romero's Funeral home. Reception to follow in the hall with snacks and finger foods. Jaime loved sweets. A special Thank You to the Colorado Department of Corrections for all their support.

“ *Jaime was always a great friend from the time we met back in grade school. Always upbeat, friendly to all. I will carry great memories of watching funny movies at the town theater with him, especially Mel Brooks, and hanging out listening to rock music. Even though we only hung out once after high school, we spoke weekly, and kept in constant contact. He will be sorely missed, and although I could not make it to his services, I will be going to see KISS in his honor next week. God Bless And positive thoughts to the Urrea family.*

“ I was probably 5 or 6 years old when I became friends with George and Joey and of course their baby brother who was always humming songs from KISS.

Growing up with that family was a blessing from God, Norma is such an saint to me and always treated me like one of the boys.

Jaime had the best freken laugh and smile, I swear he made us all smile and I was so very proud to see the man he grew up to be. Words can never express the sadness so many feel, but i know he has earned a special place in Heaven and one day we will be together again.

“ Jaime and I met in 2015 and we became good friends. Jaime was a good friend and support as I fought cancer in 2016. He went with me to doctors appointments and encouraged me to never give up. We lost touch for a bit as I moved to Denver, but he remained in my thoughts. He fought his battle like a true warrior and I admire his positive attitude that he kept during his battle, just like he encouraged me to do during my battle. Jaime will always have a place in my heart. He will be remember fondly by myself and my family. See you again one day my Friend! To his family and friends I send prayers and thoughts of comfort and healing; and to know that your Son, Brother, Uncle, Cousin and Friend was an amazing person, and I am glad and honored to have known him!

Thank You

“ I had the pleasure of working with Jaime at Trane. He was a dedicated, focused student and reported for duty each day with a great attitude, impeccable uniform and a willingness to serve others. He was a great leader and made for one of the better Security professionals I have worked alongside over the years. We were part of a young team that learned a great deal from one another during our time together. Much of my future success can be attributed to what I gained from knowing and serving with Jaime. Semper Fi friend.

“ I am LT. Roberts and I was his 1st supervisor at AVCF. We were on the grave yard training shift. Jamie arrived very wide eyed and always asked many pertinent questions regarding his job and his role in corrections. His smile and willingness to help others was welcomed by his peers. I moved to CSP and he came a short time later. I was not his supervisor but when asked what kind of officer he was, I quickly and with confidence answered “He is a Great Officer”. when I saw him his smile was just as genuine as the first time I met him. We would cross paths again for a short time at YOS where I believe he was in his element working with the YOS offenders in recreation. Jamie will be missed by his brothers and sisters in blue and will be remembered by me for his great attitude and his infectious smile. Rip Brother
