“ I was not aware of James passing. I am shocked. I was really good friends with Darla and remember him when he would pick up everyone for church in the church van. He was awesome and he will be missed.

“ I knew James (Jim) through my nieces Audry Darla. I live in Albuquerque so I didn't see James or my nieces frequently. James was a very kind and gentle person. All people need a James in their lives. James was my connection to Pueblo when I needed to reach my sister and nieces. Rest in peace, James. No doubt you're in heaven.
