

James Albert Mack

March 18, 1969 - March 1, 2023

James Albert Mack, son of Roger and Mary Mack, passed away on March 1, 2023, at 53 years old, in Pueblo, Colorado. James, often known as Jimmy, was born on March 18, 1969, in Newport Beach, California. He was the sixth of seven children—five sisters and one brother. The beach was the family's playground, which fostered James's love for nature and swimming. He enjoyed playing with his siblings, riding dirt bikes, and skateboarding. In 1980, the family moved to Colorado, and James spent the rest of his life between Pueblo and Denver. He met the love of his life and best friend, Nancy, in 1987. They had three daughters together. James loved cooking for them, camping with them, and making them laugh. James had an intense appetite for life, adventure, and mischief. He was constantly meeting new people and learning new things. He developed many skills and practiced many crafts throughout his life. Some of the hobbies he loved: graphic design, sewing, gardening, motorcycles, pottery, fishing, hunting, welding, cooking, baking, and caring for animals. James was generous and would often give what little he had to someone in need. His sense of humor was what he was most known for, and his knack for comic relief was impeccable. He faced many challenges in life and combated them all with laughter. He had a contagious smile and round, rosy cheeks until the very end. James was a beloved father of three, a brother to six siblings, and an uncle to over 30 nieces and nephews. He is survived by his three daughters, Chrissy, Annie, and April, as well as their mother Nancy, siblings Janet, Jamie, John, Joan and Jean and countless other nieces and

nephews, family and friends.
