Geri Sandoval - November 05, 2020 at 04:48 PM

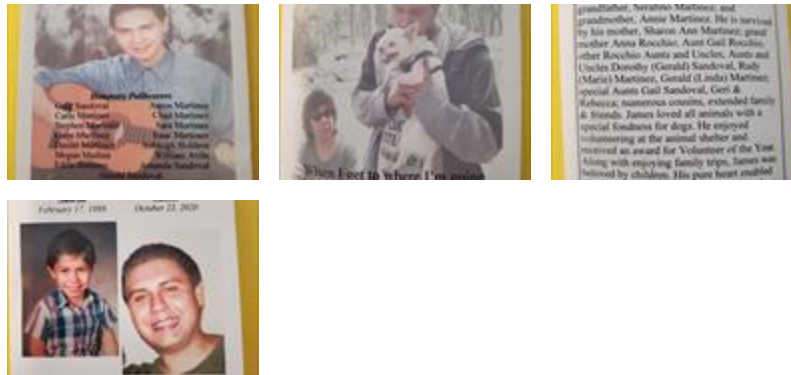

“ I knew James mostly as a teenager. He helped me assemble furniture that I bought, he laid pavers in my front yard and hung Christmas lights from my roof. I taught him to drive. Not an easy task. At one point I quit, I was frustrated by his antics. I made him sign a contract before we started up again. He was more serious the second time. He will always have a warm place in my heart.
