“ There are no words to describe what an amazing person Janey was. She was more than a co-worker. She cared when no one else did. Her thoughtfulness always made my day. Never was there a bad word between us. Her compassion was endless. Her sense of humor was classic and her straightforwardness was always on point. She was sensitive and kind and one of the most intelligent and such a beautiful person that I had the privilege of crossing paths with. Thanks Jane for being there. I will always cherish our friendship. love you.
