Janelle's light entered this world as the typical girly girl but she ran with her brother and many cousins like one of the boys. She grew up often being one of her teachers and classmates favorites, attending Freed Middle School, South High for her Freshman year and then Centennial High School. Janelle loved cruising in her car, listening to Chris Brown and Janet Jackson. She also loved her job and spending time with her friends and co-workers. Janelle always has a smile on her face and loved meeting new people. She had a huge heart and she cared deeply for others, always helping them before she helped herself. Her love will not be forgotten and she will be deeply missed by all
