“ *The Oregon Jaramillo Family sends its condolences. We will miss our dear Cousin and always treasure the memories we have of our lives on the ranches on Eleven Mile Road in Center, Colorado. We often walked the immense distance (in our childhood, a couple of miles was far!) between the West farm and the East farm! We will remember potato harvest (ugh!), herding sheep between the farms, riding the same school bus, sleepovers and how we sought to outdo each other with the scariest ghost story.*

i wish we could join you at this time, we just couldn't manage the 1500 miles this time. We love you all.

Our family will be contributing to the St. Paul the Apostle Building Fund in Janice's memory.
