“ Of the 5 kids Kyla always had with her, Jason was the one who wasn't shy. He brought her, Emma, Reana, Jason S. and Ashton out of their shells. He was always the first one to be silly, the first one to start talking the first to make a joke. The rest of them were so comfortable after that. Thank you for all of your smiles and all of the laughter you added to our lives Jason ❤️. We will always love you and hold you close.

My thoughts and prayers are with your family. I remember so well how much you and Emma loved each other. You both were such a joy to have in 1st grade. I will always remember your beautiful smile and how happy you always were. Thank you for the privilege of allowing me to be your first grade teacher. You will always be fondly remembered.
