“ This is for Mary, mama de Jasper. My heart reaches across the miles to you. You were such a good mother. I think your heart must have broken into a million pieces to lose your young son. I wish i was there to just be close to you like you were with us when Dad died.

I always admired you but i was always far away. I sincerely loved my brother, Jasper, it just came natural. May our Lord bless you in your loss. Con Cariño, Judi Montez Marks

“ Greatful I seen you at lannes not that long ago, you were with your lady & I was with my sister Colby she was surprised & happy you remembered her. We talked & laughed about our own kids the crazy things we did.

Every house I lived in my mom's or my sister's there is a funny story & or memory with you if not mine my mom, 1 of my sisters, my nephew or my niece. I rarely think about those days now. This last week I've had a flood of memories come over me, they made me laugh & smile just like you did everytime I'd see you.
