“ *My memory of my stepmom is that we shared a Spiritual relationship with JESUS, we had many talks that brought comfort to her. After every phone conversation she would say before we would hang up " Okay Alice pray for me" and I would. She would get so emotional and be grateful for praying for her. We would both be BLESSED by praying and GOD's Word. I am so grateful for the way she loved my dad and took care of him. The good breakfasts, Holiday dinners and pineapple Empanadas she made for all of us. She made us feel like we were her family. I celebrate that when she closed her eyes here on earth she opened them in Heaven to see the Beautiful face of our LORD JESUS. Who can ask for more than that for our Loved Ones. Love you Jeannie,  
Tony and Alice*
