“ I love you so much cousin! May you rest in peace. I'm forever grateful we literally have a lifetime of memories together I'll forever hold these memories close to heart. Every fight every encouraging word every 5 second check in I get all these little things to look back on and I'm glad I can tell stories about our kid and adult times good and bad we've shared we was reckless together lol my cousin you'll never be forgotten. My prayers to everyone who was blessed to have you in their life in anyway. We love you
