

Jesus "Arturo" Arthur Sosa

January 8, 1961 - July 10, 2024

Jesús Arthur 'Arturo' Sosa, 63, passed away July 10, 2024. He was born January 8, 1961, to parents Luis and Soledad Sosa, who along with other family members, preceded him in death. Arturo leaves behind to cherish his memory his loving family, siblings Louie (Nancy), Virginia 'Gini', Rudy (Linda), and Susie, nieces and nephews, best friend Patty Martinez, a large extended family, and his precious dog Paloma. He retired from the Department of Corrections and also worked security for several famous bands, too many to begin to mention, but including his favorite band 'Santana', with whom he spent time with even traveled with on occasion. Arturo's love for the music industry and work at concert venues gained him countless friends whenever he went. Arturo also loved being a photographer at various events and family gatherings, which were dear to his heart. His infectious laugh, smile, and zest for life will be greatly and forever missed by everyone's life he touched. Always and to the very end, he lived life his way.

tío, i crashed your 10th birthday. you asked for a parrot and mis abuelitos said: your niece will be talking in no time! when i was baby, you came by during bath time—we lived a few houses away from each other. it's hard to imagine. we blew out so many candles together. my favorite pictures are from the 70s and 80s. whoooooshh! so many wonderful memories. you drove the coolest cars. listened to the best music. picked me up from the airport when i came into town. you called me 'masa.' every year you sent me this picture. i was clearly taken with you. this is the first year of my life when you won't send me una foto o unas palabras. but i'll look for other signs. i love you forever. masa rae
