“ At a loss of words. I was hoping to catch up with a friend from Risley after a news clip post from yearbook showed up on my ancestry only to find out this news.:(I can only hope she a a fulfilling life in her short time. My prayers to all of the family. So sorry for your loss! She was a good friend to me then...very good person! Never forgotten. I dont remember many people from my past but a handful...she definitely was one of them.

I had the honor and privilege to know and work with Jodene. She was an excellent nurse and a true friend.
