“ I grew up in Walsenburg. Leroy lived three houses East of me. He had always been a good friend. He had a love for cooking. He made unbelievable tamales and empanadas. Leroy you will be missed. Rest In Peace my friend.

“ I got to know Joe when we started working together in group homes for developmentally disabled individuals. He was one of the greatest people I got to know. We would spend an hour or more sometimes after my shift and the beginning of his just talking about anything and everything. Every time we saw each other over these 20+ years we would always stop and talk about how things were going in each other's lives. I'll definitely miss him.

*“ Joe was a very good man, he cared deeply about people. He spoke plainly and honestly, I admired him for that. I used to kid him about his hair, he would chuckle .
I miss not seeing him daily and saying hi!
Rest in peace my friend, please Lord hold him in your loving hands and comfort those who loved him. Amen..*

A truly wonderful man I am so grateful I had the pleasure of working with. Joe would come into my office, we would talk for hours. Always had a smile on his face, always willing to help others. God bless you Joe May you rest in eternal peace.
