“ This is Louis Archuletta and I met Joe in 1983. He was always over the Aragon Family home when we made contact and became friends. we shared a lot of beers and had a lot of fun during our time together. Later I introduced him to my cousin Richard De Herrera and they stayed friends until Richard died. I heard he went to the Seattle area and lost contact with him. I will miss joking around with him and I hope he is resting in peace.
