“ *My dad liked to watch the quail and the deer come down to eat by his apartment at about 4:30pm. The last time I was there with Ethan to take my dad his Christmas gifts, at 4:30pm right on the dot the quail came and then the deer followed. I wish I would have had more time to sit on his patio and watch them with him. I will forever miss him. And my heart will stay broken because he was taken away from me to soon.*
