

John Manuel Cruz

April 4, 1966 - December 28, 2015

John was a loving, caring, hard working, honest and faithful man. He was a devout Jehovahs Witness. He and James owned their own business and he worked for the city of McKinney when he lived in Texas. He came back to Pueblo and worked for Home Depot, where he was a master gardener. John was a people person, anyone who met John once never forgot him. He was larger than life in character, size and most of all heart. He was a man of his word. He was the guy family and friends could count on. John loved his family and friends. He was a super son, phenomenal brother, great loving Daddy and a great uncle.
