“ Uncle Johnny was a vibrant, joyous and fun-loving man. One of my favorite memories was visiting him and Aunt Sally as a child. I loved watching Muhammad Ali fights with him and my Dad. Boy, did they get into those fights. Those memories left a long-lasting impression on me. To this day, I enjoy watching boxing and MMA with my son. I'll always remember his kind heart, laughter and warm hugs. Like Ali, you were the greatest, Uncle John. May you rest in peace 🙏

“ I was so sorry to hear about Uncle Johnny. It just breaks my heart. I remember when we used to go visit him and Aunt Sally. We always had the best time ever! Uncle Johnny was so kind and always laughing. He had the biggest heart. He made sure we were all comfortable and had great visits. Aunt Sally made the best food, especially her fried potatoes. Uncle Johnny called me up around my birthday in October of this year. We had a lot of good laughs and the best conversation ever. He was such a special man. I will always keep him in my heart. Love, Margo ❤️

“ John was one of the kindest people I've ever met. He never had a bad word to say about anyone. He epitomized true character in everything he did, especially in the love & care he had for his family. John is my brother's father in law and he always treated my brother like his own son. My sister in law Char is such a loving & caring person and I know she will continue John's legacy. I'm so very sorry I am not going to be with you in person. Tomorrow I will be with you in spirit as I watch from home. I promise❤️ With Much Love

“ My uncle John was an amazing man! In my childhood days I spent time every summer with Uncle John and Aunt Sally. My cousin Ronald and I had the most wonderful times laughing, playing and singing music with the radio. What a blessing it was to be a part of the family. I looked forward to going there in the summer. As I got older and moved on into adulthood my uncle and I always keep in touch. He had a way of always being positive and upbeat about life. No matter what was going on he always had time to visit with you. When I got married to my wife Tamie he would always send us a Anniversary card. He and Aunt Sally always remembered that day. We had many discussions about family life and always about the Denver Broncos. He loved sports and most of all his family. I learned many things from him and will share with my kids and grandkids. Thank you Uncle John for the amazing time I got to spend with you. I truly will miss our talks and hearing your laugh. May you rest in peace!

“ When I was young Uncle John filled in when my dad was working out of town. He taught me how to play baseball, how to play pinochle, play board games and later how to drive a car. He was a very caring person and I remember going with him to raise money for the March of Dimes thru the neighborhood club the teenagers started.

Later in life he got hurt and had back problems but you hardly knew it. He always had a laugh, a smile, and great stories to share. You were always made to feel welcome. He always showed the family a good time when we went to visit - be it the zoo, a parade, the state fair, or a morning breakfast in the mountains. One of the most enjoyable times was to watch football (Broncos) or baseball (Rockies) with him and Aunt Sally. They definitely got you involved and excited about the game.

He certainly taught me a lot and I will be forever thankful for the time and effort he invested in me. And for that I feel he made me a better person.

May he Rest In Peace.

“ John Hernandez, what an amazing uncle. We have so many memories through the years but it first started when I was born 18 years ago. I get my middle name from my grandmother, Olivia Barajas. Throughout the years I would always get a card from my uncle John just to check in on me and see how I was doing, he would always sign little Olivia at the top. My favorite thing to send back was pictures that I colored of cats. I remember those phone calls when I'd pick up the phone and he would say "little Olivia" that made my day. Everytime I wrote a letter I would always sign little Olivia. The connection that me and my great uncle had was amazing. I will forever hold a piece of him in my heart.

Aunt Sally, Charlene, Mike, grandboys. My prayers go out to you during this time. You will forever have a guardian angel. 💙

music stops, and yet it echoes on in sweet refrains. For every joy
that passes, something beautiful remains.*

Always think of Uncle John and daddy talking and laughing, they would go get candy and popcorn and sunflower seeds. i like to sit and listen to there conversations and learn about things they did when they were kids and older. Sitting outside and listening to the music for the concerts at the state fair. Uncle john and and Sally always made you feel loved and cared about. Uncle John always like his kitties and sunflower seeds. Love Jason (Linus)
