“ I remember Mr. Korber as my teacher in elementary school. He was so kind and a gentle giant he would play the piano for us in class. Thank you for your gentleness as a teacher.

“ Several years ago, I accessioned sever items that John Korber had donated to the Southeastern Colorado Heritage Center. In doing so, I learned more about Pueblo History. He knew so much, more than anyone else I ever knew. He will be very much missed.

“ John and I taught together at Bradford Elementary School back in the 70's. He was very knowledgeable of Southern Colorado History. Because I was from Trinidad, we had many conversations of former, famous Trinidadians. John was a very kind and friendly person. He will be remembered by many.
