“ *My Pampo, I still can't get over losing you and truly miss you everyday! Just looking at your picture makes me remember all the fun times I had growing up with you... Our atole breakfasts, you watering your amazing yard and garden, and watching in amazement as you made your wine and jerky... I can also still see you with your amazing hunting trophies that kept us fed with such good food. I could go on and on about all the great memories I have with you, I just wish they didn't have to end. I love you my Pampo, and hope you are at peace with your babys and my beautiful Grandma.*
