“ *John was a true friend. He was a fun guy to be around, always positive and up beat. John was a good cook and would stop by and share his dishes with me and my family. When we made something special I would take some by and share it with him. John was a pigeon racer and was proud of his Bekaert family of birds. I'm glad I was able to share some good times with John and he will be missed.*

John is a memory I'll treasure.
