October 7, 2021

John L. Rodriguez, 68, of Pueblo, passed away on October 7, 2021. He was preceded in death by his parents, Joe and Trinidad Rodriguez; brothers, Miguel and Jose Chato Rodriguez. He is survived by his siblings, Art (Jennie) Rodriguez, Mary Socorro Perez Rodriguez, Paul (Dorothy) Rodriguez, Judy Pettit Rodriguez, Charley Rodriguez, Ray Rodriguez, Mike Baca and Patricia Emily Rodriguez; special cousin and friend Fabian. John lived almost 50 years with a sickness he knew nothing about, and doctors knew very little about. His roller coaster ride lasted a lot longer than anyone expected. His health was up and down but he coped with it. Coping with mom's death was very hard on John. It was hard on John when he and dad had to leave the security of their home into a life of Temporary Housing, nursing homes and assisted living quarters. The hardest part was losing dad who was his rock and his everything. He was lost and lonely but coped well with that too. These last 12 years without their face and touch started a downhill spiral but he did his best without them. A few of his family members tried their hardest to replace Mom and Dad's love but it was impossible. His love to and from them was unmatched. His rollercoaster ride finally came to an end. Love and miss you my brother, till we meet again-RIP-Your Little Brother Charley. At John's request cremation has taken place with no formal services.
