“ *I remember John as a very quiet, friendly guy. He and Danny Baros, Dave Manzanares, Robert Montoya, Billy Sanisteven, Sam Cardenas...all the Jente that had to be bussed into Belmont to attend Heaton Junior High and be harassed and belittled by all the White folks and their own People who thought that they were White.*

*These folks stood up to all that abuse and went on to lead very successful lives.*

*John was one of those. I never saw him after high school, but from what I hear, he did well for himself.*

*You walk through the Wheat Fields of Elysian now, John Boy. Rest easy and Thank you for making a stand...*
