

Jonathan Paul Anselmi

June 30, 2021

Jonathan Paul Anselmi - 56 - Passed away Wednesday, June 30 after a year long battle with Kidney cancer. His courage and spiritual strength was an example to all who knew him. His devotion and comfort to his mother after the death of his father was his main concern and he spent time making sure she fulfilled her commitment to her ministry as one of Jehovah's Witnesses. His happiness came from his spiritual brothers and sisters that visited him during this past year and throughout the last few days of hospice, not limited to, but especially his best friends, Craig Johnson, who was with him during the most difficult times and stayed with him during Hospice and Dwayne Gordon who took the time every week to stop by and play a game of cards or conversation to pass the time. Jon moved to Pueblo in 2015 to be closer to family and a job change with High Point Networks as an independent contractor. He is survived by his beautiful, sweet daughter Alex Mercedes Sowell, his mother and spiritual inspiration, Patsy Ruth Anselmi, his twin brother, Christopher Anselmi, his patient caretaker and sister, Karen Robin and his middle sister, Cheryl Van Buitenen. He is also survived by his niece Madison Van Buitenen and nephews, Daniel Deyo, Timothy Anselmi, Aaron Anselmi, Tyler Van Buitenen and Nicholas Van Buitenen. As we look forward to the resurrection hope promised in the Bible, we will be waiting to welcome him back to perfect life in a Paradise here on earth. 1 Thessalonians 4:13. www.JW.org

“ *It was a pleasure and an honor to have known a worked alongside Jon. His passing leaves a void in the hearts of all who's paths he crossed while here with us. See you again, Jon.* ”
