“ My deepest sympathy and condolences to the Baca family. Adam and I became friends while we worked together at Pueblo Rock Wool in the late 1960,s and he was always there for me when I needed help learning the job. I truly liked the man because he treated me like a man every time I talked with him throughout the many years that I knew him. I will always mention Adam,s name to our Holy Father God during my nightly prayers and ask God to bless Adam and keep him near him because I knew Adam Baca to be a very good man while God allowed Adam to be on this earth. May Adam rest in peace. EL.Lopez
