“ Hey Gramps!!

My grandpa was a PITA and everyone knows that. We share so many memories together some good and some bad. I will cherish the good ones for sure . He wasn't a good grandpa but he sure was a loving great-grandpa. He adored them and loved to spent time with them. We're gonna miss our holidays togetherhe loved coloring eggs, carving pumpkins, lighting firecrackers, he also love giving out Halloween candy to all the trick-o-treaters. I know he ate most of the candy though 😊. He enjoyed collecting junk.... everyone that knows him knows what I'm talking about...lol. You might even remember ppl call him the "CARPET MAN" he was quite the hustler. He owned at least 10 + radios and thousands of CD/records/tapes.... with that being said he loved music 🎵 . He was also a dog lover, ..he cherished his Chihuahua Named CHAMP , his Japanese Akita, Tandra, and his most recent buddy Soda. My grandpa also liked clothes and shoes.... he took up most of the closets in the house.... just ask grandma 😂. Oh he also loved Cologne even if it was women's cologne he liked everything. I'm sure everyone has lots of pictures of this man because he was so photogenic and loved being in pictures. I've known this man a long time and have so many memories and can go on and on but for now I will cherish them all in my heart. We love you gramps and we'll miss you Scramble Egg .
