“ Brother,
Through out the years I would call you and ask you a ton of questions about our childhood. You were always so loving and patient and answered everyone of them. You shared wonderful memories with me and we laughed together about the good ole days! I have one more question for you Brother-
“ How do you mend a broken heart”? 😞 I Love you Tom with all my heart and then some...

“ I will miss you, Tom. I enjoyed our conversations and your words of wisdom. I surely appreciated your call when I lost my beloved Gibby. It meant a lot to me. I hope Geraldine and your family know that many people respected and loved you.

“ On Friday, September 10, 2021, God called home Joseph (Tom) Martinez, my brother, home. Tom graduated in 1966 and like many in this class, served in the Vietnam War. He was injured physically to include suffering the effect of Agent Orange. Many Vietnam Veterans who served on the ground suffered due to the poison, Agent Orange which attacks the organs. God Bless by brother Tom and all the Vietnam Veterans who bravely served in this war even though they weren't given the respect they should have been given during the war. Hopefully, now we respect the service of all Veterans who served and are serving our country, the United States of America. Veterans do not return from their service as the same teenagers they were right out of high school. They come home wounded. They experience awful events and conditions. These are the men who, did, come back. Many died in service to our country. In addition to being a Vietnam Veteran, my Brother Tom was an awesome athlete. He had an athletic scholarship but he served our country instead of attending college. He was also voted most popular in high school. He will be missed by many. He enjoyed sports, watching the Broncos but also watching or inquiring about the athlete members in the family including my children. We are here on Earth temporarily as citizens but when God calls us, as sons and daughters we are called to be citizens in Heaven. I am grateful for the time God allowed my brother Tom to be on Earth. I am proud to call him my big brother. His tired and wounded body remains here on Earth but his soul, which made him an awesome, caring and loving person returns to God, Our Father Who Art In Heaven. † Eternal rest grant unto him oh Lord and May perpetual light shine upon him. May his soul and the souls of the faithful departed, through your mercy Lord, Rest In Peace. Amen †
Love, Debbie 💜🌹

“ Dad, there are so many memories I have that I can't point to one. I will always remember everything you've taught me. You taught me how to play sports. How to pick myself up after falling down. How to deal with adversity in life. How to always try my hardest. You've made such an impact on myself, Racheal and the girls, we all miss you so much! Our phone calls just to chat is a big hole in my life. Thank you for always being there. Love you dad.
