“ I remember one time when josh was younger he gave me this fake 1 million dollar bill and said here aunty now your rich go buy anything you want we both just giggled I held on to it because whenever josh needed something we were always there for him nomatter what if I bought him something I told him I bought it from the money he gave me he always remembered exactly what I was referring to and he was just laugh when I cooked josh always asked me for a plate and said "your food is good " he always respected me he had a heart of gold was so loving and had a beautiful smile he will forever be remembered missed and loved.
