Joseph Philly was a great friend of mine I remember him since central when he was in ROTC and was a bright kid I'm sorry to his mom and dad but he's with his sister now and he's in a much better place. I remember he was very respectful and give my condolences. I used to go by the house on St Clair and Danikas on vinewood they were kind people. And took pride in his nieces and nephews. And always talking bout his little brother. My love and condolences and prayers for his family.
