“ We had dinner with Pete & Diana almost every Friday evening for many years & breakfast after 9am church service for over 8 years. Diana is a mentor to many! I always told her she is a walking mentor even if she didn't say anything!
Pete was always suggesting more things to do other than just eating out....going to their cabin, San Isabel lake, having prayer for our families, devotions!
Jerry & I will miss him so much! Our sincere prayers to all the Godinez family ❤️

*I was only 2 when my sister Diane and Junior were married. I didn't understand what brother in-law meant as a child, to me he was always one of my brothers. He displayed to me what a kind loving husband and father is. His example showed me what to look for as I grew into adulthood. He was so kind and loving to my sister and my nieces. He will be greatly missed, but our hope lies in the knowledge that we will be reunited with him in glory. I love you Diane, Dina and Debbie

Anytime of day Pete was available to chat and show his warm , caring, concern toward your Uncle Tommy and me. He had the ability to lighten the load and make us laugh. His light did shine and it was a beacon to feel safe and loved. Love Uncle Tommy and Aunt Sarah
