“ Thank you for everything and anything I
needed or wanted from Legos to stuff for my
own kids. I will always miss you. I will always
look for you to advice even though you aren't
here. It's harder to open up because you were
the person I would tell everything about. I miss you mom... I get
tired of you not answering my calls or texts anymore. I know one
day you will pick up and I'll see you again. It's not goodbye, it's see
you soon 💙

U was my #1 crackin jokes, unapologetically expressing your ur opinions because that was what you did n made u 👉 Unique n one of a kind in ur own way n some respected you for it n some didn't, But you didn't know no other way but to be u n that in itself was what made a Matriarch of our family like Grandma Devan. You were doin what was instilled in u at a very young age, helping n worrying about everything n everyone. Cuzz'n u were a Mom, Sister, Cuzz'n, Friend, Confidant, Therapist, But most all you were not afraid of being you no matter what n now ur gone but not forgotten n I just want you to know that Cuzz'n... I 💜 u n I'll be seeing you at the Crossroads one day n we'll be remembering n reminiscing about memories and accomplishments n our kiddos n most of all how we Neva gave up n kept pushing til God called n said it's time for a new chapter in the book called Life... I'm Proud Of You n Most Definitely can say it's an Honor to be your Cuzz'n n Friend n I'll be missing ya but Neva will I forget about you, because you were and are n will always be a part of my family n my Life n I 💜👉 n miss you til we meet again 🥺 tell everyone Hi n give them my 💜 now go my beautiful Cuzz'n n spread your 🗉's n fly endlessly like the ☁'s Forever in life n Spirit your big Cuzz'n/Brother Chucky.... 💜💙👁️👤

“ *For 33 years you have been my best friend, my cousin, my partner in crime, my smoking and drinking Buddy. The day I found out I was pregnant with your gummy bear you were so happy, I couldn't wait to see you every time I went down there and now my heart is so broken that I'll never be whole. Auntie Loretta and uncle Rodney helped raise you and watched you become such a beautiful soul, till I see you and cita again save me a spot and I'll bring the weed and beer and we will party like we are kids again. Watch over normie he needs his Angels to be there for him as he grows up. Thank you for loving me more then just your cousin you loved me like I was your own child 🥺💔💔💔💔💔💔💔💔💔💔 RIP MY DEAR SWEET BEAUTIFUL SMART LOVING COUSIN THANK YOU FOR 33 great years with you in my life*

“ I'm so sorry for your loss and my prayers go out for your whole family. I still remember watching Jenn, Nita, TJ, Jon Jon running along followed by Leon, Molly and Emily out at Gregg's. It was so cute cause they were all in order of height.
