“ *When I was very young Mr. & Mrs. Lopez took me under there wing and took care of me when I was sick and treated me like I was one of there own. My best memory was watching Mrs. Lopez make quilts, watching her cook and letting me do the dishes I never wanted to leave there home. This was my second family growing up and have only great memories. Thank you Mrs. Lopez for your love and kindness you will forever remain near and dear to my heart! Much Love!*
