Benita and Family ,

*Although no words can really help to ease the loss you bear,just know that you are very close in every thought and prayer.
It may be difficult today to see beyond the sorrow, May looking back in memory help comfort you tomorrow.*

I use to babysit for Benita years ago when she was working at the CF&I.

I have never forgot you Benita or your family, it may have been years that we have not seen each other but I have very fond memories of your mom, and entire family.

Sorry I was unable to attend the funeral today but I've been sick.

*With my Deepest Sympathy
Lillian Romero Lucero*
