“ Only met MRS Vigil a few times growing up with Tommy and Loren. She was a good person and seemed to care for the children around the neighborhood. As we get older we grow and unfortunately we also grow away from the people who raised us when we were children, i am so sad that she passed.
RIP MRS Vigil im very sure that you are missed by more than you can imagine.
A bit late but Thank You for all you did for the kids in the neighborhood I really believe that you did make that difference.
With Love and Much Respect lady you did well, forever in our hearts.
Warner Jamnik, Betty Jamnik and family.

“ I just want to say that I am so thankful to have a Grandmother “Nana” like her. Wow, to live such a joy in the way that she did, enjoying everyday and every dance that she did, living life to it’s fullest...That’s how it should be. To my “Dancer”, we will keep on the traditions you have taught our family, and I promise to live in Love just like you have showed. Thank you Nana for making us a FAMILY.. Love you always, Jennifer
