“ I truly ❤️ and appreciate this awesome soul right here [my sister we choose to be]. Talking to Judie almost every day, I listen to the things SHE was passionate about and I found out CRAB CAKES were one of them. I invited Judie to come stay with us The Walker's home for a VAC; I didn't give Judie heads up. Upon her arrival I had set up and took her to 6 different very popular restaurants/Lunch spots to "Enjoy what she loved". This is just 1 of the 6 she said she absolutely 100% ❤️ . Hence: There are other pictures 📷, but I did not ask others for their permission to post. I ❤️ my beautiful Sister Judie and miss her sooo much. Enjoy this picture of TWO sisters from other mothers, 💕 up on each other.
