“ I miss Judy so much. I still look at my calendar and see all her appointments. It was like a daily thing that we did together. I remember the funny things we used to say....like her calling herself the "fatty tatty" and me the "gar". We used to remember the funny things mom would say....oh, the memories! I will NEVER forget them. You inspired me Judy with your faith and positive outlook no matter what you were going through. I only wish we could all be like that. You are no longer suffering and we will see you soon. Love you always....Geri the "gar". Stuck in the middle.....lol
