“ *I was very happy to have gotten to know Juli at Sangre De Cristo Community care. She was such a good CNA . I had the pleasure of her shadowing with me a couple of days and as we drove from each visit we got to know each other. All Juli talked about was her Kids and how proud she was of them.. Juli your friendship is something I will hold close to my heart. And I look forward to the time we see each other again❤️❤️*

“ *The first time I came to your house for dinner, you were 13 years old. And already a pretty amazing cook. As the years went by, we became so close. Watching you drive my uncle's tractor, going to camp, Watching Jordan be born, helping with Jaycelynn..... I'm so sad that time and life stepped between us. But grateful that it brought us together again at the beginning of the year. Talking like we've never been apart. I would love to be there, but we will see each other again. You have been one of my best friends and my heart breaks for your beautiful babies. I love you Juli! Thank you for being a wonderful part of my life!!!*

“ My deepest condolences for your loss. I got to know her more when her kids attended Head Start. She was so caring and had so much love for her children. She would always make it a point to go see me and say hi. The kids would run in yelling my name and gave me hugs every day. She will be deeply missed, but her children will keep her memory alive. Rest In Peace Julie thank you for being such a kind person. ❤️❤️❤️
