“ Boy, you left exactly one week from your birthday. God gave us all that gift to see & hear you say I love you. This was the most beautiful gift especially for mom.  
I will miss my birthday & mother day calls from you. "Hey sis happy birthday, Love you." Will always be in my heart. Our last good bye to dad together before going to the chapel I have that special time with my oldest brother comforting me & being strong.  
You love your family & may they all know that you are there close. Memories we all have will keep us living & missing you.  
Remembering your words: "Everyday is a Holiday"  
I Love You, your sis Norma

“ My oldest son, born in the middle of 2 sisters. You were shy, but a fast learner in school. You liked your music as a teenager and you were good looking too. You turned out to be a good soldier, good provider, hard worker, and the best dad. I wish you didn't go before me, only God knows why. I'm glad I got to say "I love you" one more time. I will always love you and look forward to meeting you again in Heaven with Jesus. Your Mother Connie Roberts

“ *Everyone will remember Julian as a man who was very thoughtful of others and would give u the shirt off his back. He had seen a lot and shared his life long wisdom. He enjoyed when everyone around him was having a good time. A patriotic American with a lot of Pueblo pride. Julian was a family man in every way, who he loved deeply. He was admired and adored by almost everyone he met. Words can't explain how much he will be missed. The man was one of a kind, and we all could take a page or two from his book. Not a day will pass with out us thinking of him. Life will be different now without his presence, but he made too much of an impact to be forgotten.*
